FRESH SERVE

Designed keeping in mind our Indian food, our beautiful Stainless Steel Casserole range not only looks elegant but is extremely functional. Double Walled PUF insulation prevents loss of temperature and retains nutritive value of the food. And the shapes of casseroles ensure that the condensed steam trickles down the sides and slides below the coaster, without dropping on the Rotis, Idlis, Theplas, etc keeping them perfectly fresh.

FEEL HOT**

Designed from food grade stainless steel and coated with best quality, it blends beauty and strength into a winning combo. The double - walled body operates like a fortress keeping the warmth of roti, softness of Idlis, flavour of pulav's, aroma of curries and the crispiness of samosa's as good as fresh.

No wonder that **"FRESHIA HOTPOT"** occupies a place of pride in every ladies kitchen. Few things matter as much as serving guests with cuisines that make them drool with delight. Hence it's essential that the freshness and goodness of the food remain intact for hours. It is here that the **"FRESHIA"** comes in handy.

Feather Lite

Specially designed to be lightweight for easy handling.

Double wall PUF coated
